# STU

Special adjusted education for  
young people by law in Denmark

Ibos – adjusted for vip

# Activity Group

- Activity and social awareness according to the law of social service
- People with special needs due to physical or mental challenges

# Purpose of Activity Group

- To maintain or – in some cases – build up personal and social skills
- Give each individual a chance to reach his or hers full potential and improve their quality of life.
- Not real jobs, but focus on social skills

# Project – ”Jord til Bord”

- Project runs over a 3 year period
- Focus on personal development, quality of life and involvement in the society surrounding us.
- Vision is to learn – in various ways – about healthy living, organic foods, exercise and wellbeing.

# Hands on – ”jobs”

- planting and growing herbs
- picking apples from our own garden
- Making apple juice and other products
- What can you do with an apple?
- Study trips – cider mill, organic farm etc.

# Other Disability Groups

Networking other disability groups on Sealand

Example: Ikea

# Club House Model

- Comprehensive and dynamic program of support and opportunities for people with severe and persistent mental illnesses.
- Clubhouse participants are called "members".
- focus on the strengths of the individual, rather than their illness.
- no therapists or psychiatrists on staff.

# Inspiration from Club House

- 1.) A right to a place to come;
- 2.) A right to meaningful relationships;
- 3.) A right to meaningful work; and
- 4.) A right to a place to return.

# Club House – Work Units

Develop and operate a particular activity.

Members volunteer their work and, in collaboration with staff, contribute their talents to planning, developing and running the individual units and overall operation.

# Examples of Units

**Culinary Unit** (preparation of meals)

**Claening Unit** (claening, washing etc.)

**Reception Unit** (phones, newsletter etc.)

**Clerical Unit** (post, copy jobs et.)

**Horticulture Unit** (gardens)
